Subject: Confirmation of Support for Facility License Application – Statjon 1

To the Norwegian Water Resources and Energy Directorate,

I am writing on behalf of Yfoss AS regarding the application for a facility license for Statjon 1, located in Handelsvegen 140 4200 Hellandsbygd.

Reference is made to the ongoing process regarding the licensing conditions for the aforementioned facility. Yfoss AS hereby officially confirms our full support for the application to change the licensing conditions as outlined in the submission.

Furthermore, Yfoss AS acknowledges and understands the requirements placed upon our company as a holder of such a facility license. We are fully aware of our obligations under the applicable regulations. Specifically, we confirm that Yfoss AS accepts the responsibility for appointing a qualified Operations Manager (*driftsleder*) upon transfer of the concession for the relevant facility to ensure safe and compliant operations.

We trust this statement meets the documentation requirements for the license application progress.

Sincerely,

(Signature)
